

for workers of the subject firm. The workers produce audio cassettes. New findings show that there was previous certification. TA-W-31,954, issued on April 23, 1998 for workers of the subject firm. That certification expired April 23, 1998. To avoid an overlap in worker group coverage, the certification for TVA-W-35,615 is being amended to change the impact date to April 24, 1999.

The amended notice applicable to TA-W-35,615 is hereby issued as follows:

"All workers of Shape Global, Sanford, Maine, who became totally or partially separated from employment on or after April 24, 1998 through April 14, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 23rd day of April 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Siemens Energy & Automation Industrial Products Division—Nema Motors, Little Rock, Arkansas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on December 4, 1998, applicable to workers of Siemens Energy & Automation Industrial Products Division—NEMA Motors located in Little Rock, Arkansas. The notice was published in the **Federal Register** on December 23, 1998 (63 FR 71165).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of electric induction three phase motors. Findings show that the Department incorrectly set the worker certification impact date at November 10, 1998. The impact date should be November 10, 1997, one year prior to the date of the petition. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-35,240 is hereby issued as follows:

"All workers of Siemens Energy and Automation, Industrial Products Division—NEMA Motors, Little Rock, Arkansas who became totally or partially separated from employment on or after November 10, 1997 through December 4, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 23rd day of April 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Union Pacific Fuels, Incorporated, a Subsidiary of Union Pacific Resources Company, and Union Pacific Resources Company a Division of Union Pacific Resources Group Incorporated Headquartered in Fort Worth, TX and Operating in the Following States; Kansas and New Mexico; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 21, 1999, applicable to workers of Union Pacific Fuels, Incorporated, a subsidiary of Union Pacific Resources Company, and Union Pacific Resources Company, a division of Union Pacific Resources Group Incorporated headquartered in Fort Worth, Texas. The notice was published in the **Federal Register** on February 25, 1999 (64 FR 9354).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The company reports that workers have been separated from employment at the subject firm's Kansas and Wyoming locations. The workers are engaged in employment related to the production of crude oil, natural gas and natural gas liquids.

The intent of the Department's certification is to provide coverage to all workers of the subject firm adversely affected by increased imports. Accordingly, the Department is

amending the certification to include workers of the subject firm at the Kansas and New Mexico locations.

The amended notice applicable to TA-W-35,465 is hereby issued as follows:

All workers of Union Pacific Fuels, Incorporated, a subsidiary of Union Pacific Resources Company, and Union Pacific Resources Company, a division of Union Pacific Resources Group, Incorporated, headquartered in Fort Worth, Texas (TA-W-35,465), and operating in Kansas (TA-W-35,465G) and New Mexico (TA-W-35,465H), who became totally or partially separated from employment on or after December 14, 1997 through January 21, 2001, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 19th day of April 1999.

Investigations Regarding Certifications of Eligibility to Apply for Worker Adjustment Assistance

Petitions have been filed with the Secretary of Labor under Section 221(a) of the Trade Act of 1974 ("the Act") and are identified in the Appendix to this notice. Upon receipt of these petitions, the Acting Director of the Office of Trade Adjustment Assistance, Employment and Training Administration, has instituted investigations pursuant to Section 221(a) of the Act.

The purpose of each of the investigations is to determine whether the workers are eligible to apply for adjustment assistance under Title II, Chapter 2, of the Act. The investigations will further relate, as appropriate, to the determination of the date on which total or partial separations began or threatened to begin and the subdivision of the firm involved.

The petitions or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing, provided such request is filed in writing with the Acting Director, Office of Trade Adjustment Assistance, at the address shown below, not later than May 17, 1999.

Interested persons are invited to submit written comments regarding the subject matter of the investigations to
